

State Recruiting Office - Business Hours

The great news is that effective July 1, 2011, the State Recruiting Office (SRO) has resumed operations on a Monday - Friday schedule to service you better.*

The SRO staff wishes to thank its many customers (career applicants) and prospective career applicants for their understanding during the State Furlough period.

The SRO operates a staffed recruitment counter Mondays through Fridays, 7:45 AM to 3:30 PM Hawaii Standard Time except on State Observed Holidays. Our recruitment counter has a computer kiosk for persons to apply directly online up to 3 PM. Please see details on “How To Apply” on our website.

Customer service is very important to us and we’re proud to say that our website and great online application system provided (and will continue to provide) up-to-the-minute job announcements and applications 24 hours a day, seven days a week. We’re happy and proud to serve you!

*Mahalo Nui Loa!
(Thank you very much)*

** The State Recruiting Office will be closed on State Observed Holidays.*

The State Recruiting Office is located on the 11th floor of the **Leiopapa a Kamehameha Building** (shown above) at 235 S. Beretania Street, in the heart of downtown Honolulu.
